

Ilminster Car Parking

Ian has kindly given the following info about two suitable car parks for those driving to Ilminster:

The charge for both car parks is only 85p for 2 hours. The first (**West Street Car Park TA19 9AA**) is just off the High Street which is a one-way system. There is a sharp right-hand bend after you pass the Minster and the Pub and then you take the second turn on the left which is signposted for the Car Park. The second (**Orchard Vale Car Park TA19 0EF**) can be approached via the Ilminster turn off on the large roundabout on the A358 and then turning right at the next roundabout just past Brakes Garage on the left following the road round to the left at the next roundabout, straight on at the next roundabout and then turn left opposite the large Play Area at the end of the "Recreational Park" which is on the right. Again, the Car Park is signposted. The road into the Car Park continues past the School to walk directly to the Minster. I don't use either but I would think on a Saturday there will be spaces in both.
